

# Revenue Producing Facilities

Presented to: 2009 BIS ADO Fall Seminar

By: Steve Obenauer, BIS ADO Manager

Date: October 27-28, 2009

Federal Aviation  
Administration

# Revenue Producing Facilities

- **Allows use of AIP funds to construct a revenue producing facility**
- **Typically hangar or fuel farm**
- **Can only use nonprimary entitlements**
- **NOTE: can no longer construct revenue-producing hangar to house FBO**

# Requirements

- **Airside needs must be met**
  - Based on airport's CIP
  - No unfunded airside needs
  - Includes compatible land issues
- **No discretionary or state apportionment for next two years**

# Business Plan

- **Submitted with project validation**
- **Operating expenses**
  - Maintenance costs
  - Other costs
- **Projected income**
  - Show demand
  - Show income
