## **Seminar Outline**

This year's seminar will start at 8:30 AM on Wednesday, November 2, with registration beginning at 7:30 AM and will run from 7:00 AM to 1:00 PM on Thursday, November 3.

This year's seminar will focus on new or changed procedures or processes in the Federal Aviation Administration, including presentations and discussions on the following items; subject to change:

- Planning
- Program Management (Modification to Standards, Plans & Specification)
- Project Phasing
- Pre-Application (Validation) & new Grant Application practice
- Lessons Learned regarding mod to standards
- Overview of the latest Standard Operating Procedure (SOPs) Requirements
- Summary of 2016 AIP Program and any new information on the 2017 AIP Program
- NDAC & SDDOT topics
- AAND & SDAMA topics
- Round Table Discussions

We encourage airport managers, airport board or authority members, airport consultants, local planning or other officials responsible for an airport, to attend this seminar. We'll be sure to allow ample time for open discussion on these and other issues in an effort to identify problem areas and find solutions.
