Airport Certification Information Bulletin (ACIB) 13-09

Subject: ARFF Technical Reports

The FAA Technical Center recently published the following safety research reports related to Aircraft Rescue and Firefighting.

Computational Flame Characterization of New Large Aircraft Immersed in Hydrocarbon Pool Fires

Full-Scale Evaluation of ARFF Tactics for Cargo Fires on Freighter Aircraft

Aircraft Rescue and Firefighting Strategies and Tactical Considerations for New Large Aircraft

These reports and other related information can be found on the FAA Airports website, in the ARFF section, under "Hot Items"...
