

WILDLIFE HAZARD MANAGEMENT TRAINING

Who:

Airport personnel responsible for implementing wildlife hazard management plans.

What:

Qualified airport wildlife biologists from the USDA-Wildlife Services program will provide a **FREE** training session discussing a variety of aspects related to managing wildlife hazards at airports.

Attendees will receive a certificate for proof of attendance and will have complied with the training requirements identified in FAA AC 150/5200-36A.

Attendees will be provided with a CD of training materials to enable them to provide the training to staff at their respective airport through the 'train-the-trainer' concept.

When/Where:

Tuesday, June 16, 2015 St. Louis Regional Airport Office (ALN) 9 a.m. – 2 p.m. (Lunch provided)

Thursday, June 18, 2015 FAA Great Lakes Regional Office, Des Plaines 9 a.m. – 2 p.m.
(\$10 Lunch)

For more information on the training sessions, please contact Adam Phillips at (217) 241-5734 or email Adam.C.Phillips@aphis.usda.gov
