ORD Runway 10/28 Extension

September 25, 2008

The Welcome Mat is 3,000 Feet Longer

13,000 feet x 150 feet

Beginning **September 25, 2008**, new flight procedures for Runway 10 approaches will be in effect.

The O'Hare Modernization Program (OMP) will take a significant step forward on September 25, as **Runway 10/28 is extended west to reach 13,000 feet in length.**

New parallel and connector taxiways will accompany the extension and include new taxiway crossover names: ZC, ZD, ZE, ZF, ZG and ZH. Taxiway M and the north line of the 10 Pad will be extended and renamed Taxiway L.

Upcoming Change:
On **November 20, 2008**, a new 7,500 foot Runway 9L/27R will be commissioned.
