

RECORD OF APPROVAL

AUSTIN-BERGSTROM INTERNATIONAL AIRPORT, AUSTIN, TEXAS

14 C.F.R. PART 150 NOISE COMPATIBILITY PROGRAM

Statements within the program measures below summarize as closely as possible the airport operator's recommendations contained in the Noise Compatibility Plan (NCP). The statements within the summaries which precede the indicated FAA approval, disapproval, or other determination do not represent the opinions or decisions of the FAA. The page numbers in parentheses cross-reference the submitted document/addenda.

The approvals listed herein include approvals of actions that the City of Austin, Texas recommends be taken by the FAA. The approvals indicate only that the actions would, if implemented, be consistent with the purposes of Part 150. These approvals do not constitute decisions to implement the actions. Later decisions concerning possible implementation of these actions may be subject to applicable environmental or other procedures or requirements.

ORIGINAL RECOMMENDATION:

Recommendation 10.2.2: Land Use Mitigation Measures #2. Sound Insulation Program. Install noise-attenuating materials for the following properties: United Pentecostal Church, and Richard Moya Park Ranger's residence in exchange for the avigation easement. [Original NCP, Pages 8-13 through 8-14 and 10-3, Figures 8.2, (Figure 1), 8.6, Tables 8.2 and Appendix H].

REVISED RECOMMENDATION:

Recommendation 10.2.2: Land Use Mitigation Measures #2a Sound Insulation Program. Install noise-attenuating materials for the following property: Richard Moya Park Ranger's residence in exchange for an avigation easement. [Original NCP, Pages 8-13 through 8-14 and 10-3, Figures 8.2 (Figure 1), Tables 8.2 and Appendix H].

**Recommendation 10.2.2: Land Use Mitigation Measures #2b
Land Acquisition Program.** Land acquisition for the
following property: United Pentecostal Church. [Original
NCP, Pages 8-13 through 8-14 and 10-3, Figures 8.6 and
Appendix H].

FAA Determination: Approved.
