Administration**

Office of Airport Safety
and Standards
800 Independence Ave., SW.
Washington, DC 20591

April 30, 2009

Dear Industry Representative:

Federal Aviation Administration (FAA) Draft Advisory Circular (AC) 150/5345-56A, *Airport Lighting Control and Monitoring System*, is being **re-circulated** to interested industry associations to obtain comments and recommendations of actions to be taken. Please review this draft and submit comments as appropriate. Additionally, please provide justification for all comments regarding oppositions and recommended modifications. The final document may be revised as a result of comments received and further review by the Office of Airport Safety and Standards.

This AC specifies the requirements for light fixtures for use on airport runways and taxiways. Concurrence with the enclosure is requested. Comments received prior to **June 1, 2009**, will be considered for inclusion in the advisory circular. Concurrence with the enclosure is requested.

The document may be obtained in Adobe Acrobat PDF format from the FAA Airports Internet site at: http://www.faa.gov/airports_airtraffic/airports/resources/draft_advisory_circulars/

Sincerely,

A handwritten signature in cursive script that reads "Rick Marinelli".

Rick Marinelli, P.E.

Manager, Airport Engineering Division
