NOTE: This Attention-Deficit/Hyperactivity Disorder (ADHD) Summary is NOT required, however, it will help to streamline and significantly DECREASE FAA review time.

AME Actions:

- If all items fall into the **NO** category, the AME may issue a medical certificate, if otherwise qualified. Submit this Summary, the actual clinical visit report, and all supporting documentation reviewed to the FAA.
- If any items fall into the **YES*** category, the evaluator should explain. The AME must defer. Psychological or neuropsychological evaluation with testing will be required.
 - **If uploading this document into AMCS use category Beh Hlth - ADHD FAST Track Summary.**
