

CACI - Hepatitis C - Chronic Worksheet

(Updated 11/24/2021)

The Examiner must review a current status report by the treating physician and any supporting documents to determine the applicant's eligibility for certification. If the applicant **meets ALL the acceptable certification criteria** listed below, the Examiner can issue. Applicants for first- or second- class must provide this information annually; applicants for third-class must provide the information with each required exam.

AME MUST REVIEW	ACCEPTABLE CERTIFICATION CRITERIA
Treating physician finds the condition stable on current regimen and no changes recommended	<input type="checkbox"/> Yes
Complications or symptoms from Chronic Hepatitis C	<input type="checkbox"/> None
Medications for condition	<input type="checkbox"/> None
Current Labs	<input type="checkbox"/> Within last 90 days <input type="checkbox"/> AST (SGOT), ALT (SGPT), Albumin, and PT all within 10% of normal lab scale.

AME MUST NOTE in Block 60 one of the following:

CACI qualified Hepatitis C - Chronic.

Has current OR previous SI/AASI but now CACI qualified.

NOT CACI qualified Hepatitis C - Chronic. I have deferred. (Submit supporting documents.)
