Frequently Missed Knowledge Test Airman Certification Standard (ACS) Codes

4th Quarter, CY24
January 1, 2024, through December 31, 2024

Test Code	Test Name	ACS Code	Percent Missed
AMA	Aviation Maintenance Technician Airframe	AM.II.D.K5	79.83%
AMG	Aviation Maintenance Technician General	AM.I.G.K6	77.12%
AMG	Aviation Maintenance Technician General	AM.I.A.K24	74.25%
CAX	Commercial Pilot Airplane	CA.I.H.K1g	81.31%
UAG	Unmanned Aircraft General - Small	UA.I.E.K13	76.72%

Knowledge test ACS code statistics are prepared quarterly by the FAA's Safety Analysis Branch in cooperation with the FAA's Training and Certification Group, and should become available approximately one month after the end of each quarter.
