On October 8, 2026, the Federal Aviation Administration (FAA) posted a part 147 Minimum Passage Rate Report to the FAA's [Airman Knowledge Test Statistics Webpage](#). Some calculation variances may have been presented in the data reported. Until the data can be verified, the FAA has removed the report from the webpage. Once the data is verified, the FAA will determine next steps for sharing part 147 Minimum Passage Rate data with stakeholders.

If you have any questions, please contact the FAA's Aircraft Maintenance Division at 9-AWA-AFS-300-Maintenance@FAA.gov.
