

## **ADDENDUM. LIST OF APPROVED FUEL SAFETY TRAINING COURSES**

All courses listed in the addendum are acceptable to the Administrator.

**Recurrent Training:** Companies offering recurrent Fueling Safety Training are identified below.

**Updating Training Information:** This addendum is updated on a Quarterly basis. To update your organization's information, submit any changes to the FAA (see Paragraph 4c of AC 150/5230-4B for instructions) no later than September 25 for Quarter 1, December 20 for Quarter 2, March 25 for Quarter 3, and June 25 for Quarter 4. This document will only be updated when there has been a change in the information. When it is updated, a web message will also be sent to web subscribers when the change is posted on line. If you have submitted a change, be sure to review the change once the new document has been posted to the FAA's ARFF web page.

Please send changes to this list to:
