States

Date: 9/29/26

AC No: 187-1V

Change:

- 1 PURPOSE OF THIS ADVISORY CIRCULAR (AC).** This AC transmits an updated schedule of charges for services of Federal Aviation Administration (FAA) Flight Standards Service (FS) aviation safety inspectors (ASI) outside the United States. On April 19, 1995, the FAA amended Title 14 of the Code of Federal Regulations (14 CFR) part [187](#) (60 Federal Register (FR) 19628-01, April 19, 1995, Fees for Certification Services and Approvals Performed Outside the United States), which established the methodology for determining these charges. The rule provided that the FAA would publish these fees in an AC. Refer to 14 CFR part 187 appendix [A](#).
- 2 EFFECTIVE DATE.** The effective date of this AC is October 1, 2026.
- 3 WHAT THIS AC CANCELS.** AC 187-1U, Flight Standards Service Schedule of Charges Outside the United States, dated July 9, 2025, is canceled.
- 4 RELATED 14 CFR REFERENCES.** Each charge listed in Appendix [1](#), Schedule of Services, Flight Standards Service, Schedule of Charges Outside the United States, refers to an FAA activity described in FAA regulations. Listed beside each category of service and charge is the specific regulatory reference. Generally, these charges refer to 14 CFR:
 - Parts [60](#), [61](#), [63](#), [65](#), [133](#), [135](#), and [137](#) (Airman Certification);
 - Parts [141](#), [142](#), [145](#), and [147](#) (Air Agency Certification);
 - Part [183](#), Representatives of the Administrator; and
 - Part [187](#) Appendix [A](#), Methodology for Computation of Fees for Certification Services Performed Outside the United States.
- 5 APPENDIX CHANGES.** The FAA plans to review the actual costs incurred in the services listed in Appendix 1 at the beginning of each fiscal year (FY). The FAA will do this using the same fee methodology described in 14 CFR part 187 appendix A. The FAA will amend the schedule of charges on an annual basis to either increase or decrease fees, as needed. The FAA will publish each amended schedule in the FR and as a revision to this AC.

SCHEDULE OF CHARGES OUTSIDE THE UNITED STATES**

Category of Service	14 CFR Reference	Charge
I. TRANSPORTATION AND SUBSISTENCE CHARGES		
All Categories of Services		
Transportation and subsistence will be assessed to applicants in addition to the charge published below for certification actions requiring travel from the duty station city. Title 5 of the Code of Federal Regulations (5 CFR) part 2635, Standards of Ethical Conduct for Employees of the Executive Branch, and as set forth in the Federal Aviation Administration (FAA) Standards of Conduct in FAA Human Resources Policy Manual, Volume 4, prohibits employees, with certain exceptions, from accepting any gifts, favors, gratuities, or any other thing of monetary value, including free transportation, from any person or company that is subject to FAA regulations that has or is seeking to have contractual relations with the FAA or that has interests that might be affected by the performance or nonperformance of the duties of the particular employee. The only permissible exceptions to this for FAA employees performing services under Title 14 of the Code of Federal Regulations (14 CFR) part 187 appendix A, and its implementing advisory circular (AC) 187-1, are for: 1) meals at a facility where such meals are available to all individuals at the facility at no charge, and 2) “in-kind” contributions of ground transportation services to and from facilities only when there are bona fide personnel security risks associated with conveyance by local transportation that have been verified by the applicable United States Embassy or Consulate and the applicant offers to provide the transportation. In these cases, the United States Embassy or Consulate must accept the intended “in-kind” transportation method as sufficient to mitigate the perceived risks.
