

Federal Aviation Administration

Memorandum

Date: December 20, 2016
To: Al Spence, ASP
From: Stewart Jackson, AST
Subject: Cancellation of Multiple AST Advisory Circulars

AST conducted a comprehensive review of its advisory circulars (ACs) and determined that the ACs listed below should be cancelled. AC 431.35-3 is significantly out of date and AC 440-1 is no longer necessary.

- AC 431.35-3 Licensing Test Flight Reusable Launch Vehicle Missions
- AC 440-1 Part 440 Insurance Conditions
