Subject: Cancellation of AC 29-1 dated 12/26/1963

We have determined that there is no longer a need for the subject Advisory Circular (AC 29-1; Subject: Approval Basis for Automatic Stabilization Equipment (ASE) Installations in Rotorcraft; dated 12/26/1963), as it has served its usefulness. Therefore, we are cancelling AC 29-1. Request you remove it from the current Advisory Circulars listing.
