And Standards

800 Independence Ave., SW  
Washington, DC 20591

April 10, 2019

Dear Aircraft Rescue and Fire Fighting Industry Representatives:

Federal Aviation Administration (FAA) Draft Advisory Circular (AC) 150/5210-19B, *Driver's Enhanced Vision System (DEVS)*, is being circulated to interested industry associations to obtain comments and recommendations of actions to be taken.

The FAA recommends the guidelines contained in this publication for installation of DEVS equipment on Aircraft Rescue and Fire Fighting (ARFF) vehicles.

Please review this draft and submit comments as appropriate. Please identify your recommended changes, provide a rationale for the recommendations, and specify the sections of the document they impact. The final document may be revised as a result of comments received and our further review.

Comments received by May 15, 2019, will be considered for inclusion in the addendum. Concurrence with the enclosure is requested. Comments may be submitted via electronic correspondence to [marc.tonnacliff@faa.gov](mailto:marc.tonnacliff@faa.gov) or via written correspondence to:

Federal Aviation Administration  
800 Independence Avenue SW  
c/o Marc Tonnacliff  
Airport Safety and Standards  
AAS-300 Room 618  
Washington DC 20591

The document can be found on the FAA's draft Advisory Circular page at [http://www.faa.gov/airports/resources/draft\\_advisory\\_circulars/](http://www.faa.gov/airports/resources/draft_advisory_circulars/).

Sincerely,

Anthony Butters  
Acting Manager, Airport Safety and Operations
