Dear Aircraft Rescue and Fire Fighting Industry Representatives:

Federal Aviation Administration (FAA) Draft Addendum to Advisory Circular (AC) 150/5210-23, *ARFF Vehicle and High Reach Extendable Turret (HRET) Operation, Training and Qualifications*, is being circulated to interested industry associations to obtain comments and recommendations of actions to be taken.

The FAA recommends the guidelines contained in this addendum for ARFF Vehicle and High Reach Extendable Turret (HRET) Operation, Training and Qualifications.

Please review this draft, and the associated Quick Reference Guide, and submit comments as appropriate. Please identify your recommended changes, provide a rationale for the recommendations, and specify the sections of the document they impact. The final document may be revised as a result of comments received and our further review.

Comments received by February 11, 2019, will be considered for inclusion in the addendum. Concurrence with the enclosure is requested. Comments may be submitted via electronic correspondence to marc.tonnacliff@faa.gov or via written correspondence to:
