of Transportation
**Federal Aviation
Administration**

Office of Airport Safety and
Standards

800 Independence Avenue, SW
Washington, DC 20591

Dear Industry Representative:

The Federal Aviation Administration (FAA) requests your review of the Draft Advisory Circular AC 150/5345-27F *Specification for Wind Cone Assemblies* available at:
http://www.faa.gov/airports/resources/draft_advisory_circulars/.

Paragraph 4 of the cover page lists the principal changes, with a brief explanation for each change. The FAA will consider comments received by **November 10, 2020**, for inclusion in the final version of this Advisory Circular.

Please submit all comments electronically (do not mail) using the provided COMMENT MATRIX to Marvin Woods at marvin.woods@faa.gov. Accompany all comments with a justification for your recommended modification.

The final document may be revised as a result of received comments after further review by the FAA.

Sincerely,

Michael A.P. Meyers, P.E.
Acting Manager, Airport Engineering
