of Transportation  
**Federal Aviation  
Administration**

Office of Airport Safety and  
Standards

800 Independence Avenue, SW  
Washington, DC 20591

November 2, 2022

Dear Industry Representative:

The Federal Aviation Administration (FAA) requests your review of the Draft Advisory Circular (AC) 150/5345-42K, *Specification for Airport Light Bases, Transformer Housings, Junction Boxes, and Accessories*, available at:  
[http://www.faa.gov/airports/resources/draft\\_advisory\\_circulars/](http://www.faa.gov/airports/resources/draft_advisory_circulars/).

Paragraph 5 of the cover page lists the principal changes, with a brief explanation for each change. The FAA will consider comments received by **November 30, 2022**, for inclusion in the final version of this AC.

Please submit all comments electronically (do not mail) using the provided COMMENT MATRIX to Marvin Woods at [marvin.woods@faa.gov](mailto:marvin.woods@faa.gov). Accompany all comments with a justification for your recommended modification.

The final document may be revised as a result of received comments after further review by the FAA.

Thank you very much for your review.

Sincerely,

**MICHAEL**  
**A. MEYERS**
