Administration**

Office of Airport Safety and Standards  
Airport Engineering Division

800 Independence Ave., SW  
Washington, DC 20591

**JUL 21 2015**

Dear Industry Representative:

We are circulating Federal Aviation Administration (FAA) Draft Advisory Circular (AC) 150/5345-44K, *Specification for Runway and Taxiway Signs*, to interested industry associations to obtain comments and recommendations of actions to be taken. Please review this draft and submit comments as appropriate. Additionally, please provide justification for all comments about technical issues you may have and recommend modifications for correction. We may revise the final document as a result of comments received and after further review by the Office of Airport Safety and Standards.

This AC specifies the requirements for manufacture of runway and taxiway signs for use on airports.

We request concurrence with this draft. We will consider comments received by August 10, 2015, for inclusion in the advisory circular.

Submit comments on the provided COMMENTS MATRIX which references the paragraph and line number in question with your recommended change. Please EMAIL (Do not mail) the completed MATRIX to Richard L. Smith at [Richard.L.Smith@faa.gov](mailto:Richard.L.Smith@faa.gov).

You will find a PDF version of the draft advisory circular on the FAA website at: [http://www.faa.gov/airports/resources/draft\\_advisory\\_circulars/](http://www.faa.gov/airports/resources/draft_advisory_circulars/).

Sincerely,

A handwritten signature in blue ink, appearing to read "John R. Dermody".

John R. Dermody, P.E.  
Manager, Airport Engineering Division
