Airport Engineering Division

800 Independence Ave., SW
Washington, DC 20591

March 4, 2021

Dear Industry Representative:

We are providing a 30 day extension to complete review and provide comments on the draft version of Advisory Circular (AC) 150/5390-2D, Heliport Design.

This AC provides standards for the planning, design and construction of heliports serving helicopters with single, tandem (front and rear) or dual (side by side) rotors.

We will consider comments received by April 5, 2021 for inclusion in the final version of this AC.

Please submit comments in the provided COMMENTS MATRIX, which references the paragraph and line number in question with your recommended change. Please EMAIL (do not mail) the completed MATRIX to Robert Bassey at robert.bassey@faa.gov.

This Draft AC is available and can be viewed at the FAA Airports website:
http://www.faa.gov/airports/resources/draft_advisory_circulars/

Sincerely,

Michael A.P. Meyers, P.E.
Manager
Airport Engineering Division, AAS-100
