Dear Industry Representative:

We are requesting your review of Advisory Circular (AC) 150/5345-5C, *Specifications for Airport Lighting Circuit Selector Switch*. This AC provides specifications for airport circuit selector switches.

This AC involves a review and update of requirements and quality assurance provisions where appropriate.

We request concurrence with the enclosure. We will consider comments received by September 26, 2018 for inclusion in the final Advisory Circular.

Submit comments on the provided COMMENTS MATRIX, which references the paragraph and line number in question with your recommended change. Please EMAIL (Do not mail) the completed MATRIX to Robert Bassey at robert.bassey@faa.gov.

This Draft AC is available and can be viewed at the FAA Airports website:
