Administration**

Office of Airport Safety and Standards  
Airport Engineering Division

800 Independence Ave., SW  
Washington, DC 20591

**DEC 17 2015**

Dear Industry Representative:

We are circulating Federal Aviation Administration (FAA) Draft Advisory Circular (AC) 150/5345-43H, Specification for Obstruction Lighting Equipment, to interested industry associations to obtain comments and recommendations. Please review this draft and submit comments as appropriate. Additionally, please provide justification for all comments about technical issues you may have and recommend modifications for correction. We may revise the final document as a result of comments received and after further review by the Office of Airport Safety and Standards.

This AC specifies the requirements for manufacture of obstruction lighting equipment.

We request concurrence with this draft. We will consider comments received by Jan 17, 2016, for inclusion in the advisory circular.

Submit comments on the provided COMMENTS MATRIX which references the paragraph and line number in question with your recommended change. Please EMAIL (Do not mail) the completed MATRIX to Thomas Mai at [thomas.mai@faa.gov](mailto:thomas.mai@faa.gov).

You will find a PDF version of the draft advisory circular on the FAA website at: [http://www.faa.gov/airports/resources/draft\\_advisory\\_circulars/](http://www.faa.gov/airports/resources/draft_advisory_circulars/).

Sincerely,

A handwritten signature in black ink, appearing to read "John R. Dermody".

John R. Dermody, P.E.  
Deputy Director, Airport Safety and Standards
