Dear Industry Representative:

Federal Aviation Administration (FAA) Draft Advisory Circular (AC) 150/5340-1K, *Standards for Airport Markings*, is being circulated to interested industry associations to obtain comments and recommendations. Please review this draft and submit comments as appropriate. Concurrence with the draft is requested. Please provide justification for all comments regarding oppositions and recommended modifications. The final document may be revised as a result of comments received and our further review.

This AC contains the Federal Aviation Administration standards for markings used on airport runways, taxiways, and aprons.

Comments received by July 23, 2009 will be considered for inclusion in the advisory circular. Comments on letter head can be sent via e-mail to george.legarreta@faa.gov or mailed to:
