and Standards

800 Independence Ave., SW.
Washington, DC 20591

April 1, 2011

Dear Industry Stakeholders:

Federal Aviation Administration (FAA) Draft Advisory Circular (AC) 150/5100-13B, **Development of State Standards for Nonprimary Airports**, is being circulated to interested parties to obtain comments and recommendations.

Please review this draft and submit comments as appropriate. Comments should be submitted on a separate document, and not embedded in the draft AC. Additionally, please provide justification for all comments regarding oppositions with recommended modifications.

Comments received by May 2, 2011, will be considered for inclusion in the advisory circular.

This AC provides guidelines for the development of State standards for nonprimary public-use airports as provided for in Title 49 United States Code, Sections 47105 (c) and 47114 (d) (5). Appendix 3 has been added to provide guidance in developing State standard airport pavement (SSAP) specifications.

Changes to this document are color-coded for your convenience. The AC can be found on the FAA website at http://www.faa.gov/airports/resources/draft_advisory_circulars/

Sincerely,

A handwritten signature in black ink that reads "Paul L. Friedman". The signature is fluid and cursive, with a long horizontal stroke at the end.

Paul Friedman
Acting Manager, Airport Engineering Division
