Administration**

Office of the Airport Safety
And Standards

800 Independence Ave., SW
Washington, DC 20591

Dear Aircraft Rescue and Fire Fighting Industry Representatives:

Federal Aviation Administration (FAA) Draft Advisory Circular (AC) 150/5210.13C, *AIRPORT WATER RESCUE PLANS, FACILITIES, AND EQUIPMENT* is being circulated to interested industry associations to obtain comments and recommendations of actions to be taken.

This AC specifies the guidance to assist airport operators in preparing for *AIRPORT WATER RESCUE PLANS, FACILITIES AND EQUIPMENT*.

Please review this draft and submit comments as appropriate. Please provide reference to location of recommendation, suggested recommendation, and support for the recommendation. The final document may be revised as a result of comments received and our further review.

Comments received prior to June 25, 2010 will be considered for inclusion in the advisory circular. Concurrence with the enclosure is requested. Comments may be submitted via electronic correspondence to marc.tonnacliff@faa.gov or via written correspondence to

Federal Aviation Administration
800 Independence Avenue SW,
C/O Marc Tonnacliff
Airport Safety and Standards,
AAS-300; Room 618
Washington, D.C. 20591

The document may be found on the FAA's draft Advisory Circular Internet site at
