of Transportation  
**Federal Aviation  
Administration**

Office of Airport Safety  
and Standards

800 Independence Ave., SW.  
Washington, DC 20591

June 7, 2011

Dear Industry Representative:

Federal Aviation Administration (FAA) Advisory Circular (AC) 150/5300-17C, *Standards for Using Remote Sensing Technologies in Airport Surveys*, is being circulated to interested industry associations to obtain comments and recommendations on the proposed changes.

Please review this draft and submit your comments including opposition to the proposed changes and any suggested modifications. Provide justification for all comments.

Submit comments in a separate document; do not embed comments in the draft document. Comments received by July 7, 2011 will be considered for inclusion in the AC.

A PDF version this AC is posted on the FAA website at  
[http://www.faa.gov/airports/resources/draft\\_advisory\\_circulars/](http://www.faa.gov/airports/resources/draft_advisory_circulars/).

Sincerely,

A handwritten signature in black ink that reads "Michael T. McNerney".

Michael T. McNerney, Ph.D., P.E.  
Assistant Manager, Airport Engineering Division, AAS-100
