Administration**

Office of Airport Safety
and Standards

800 Independence Ave., SW.
Washington, DC 20591

February 16, 2011

Dear Airfield Lighting Stakeholders:

Federal Aviation Administration (FAA) Draft Advisory Circular (AC) 150/5345-28G, **Precision Approach Path Indicator (PAPI) Systems**, is being circulated to interested parties to obtain comments and recommendations.

Please review this draft and submit comments as appropriate.

Comments should be submitted on a separate document, and not embedded in the draft AC. Additionally, please provide justification for all comments regarding oppositions with recommended modifications.

Comments received by March 28, 2011, will be considered for inclusion in the advisory circular. This AC contains the equipment requirements for PAPI systems. Changes to this document are color-coded for your convenience.

The AC can be found on the FAA website at
http://www.faa.gov/airports/resources/draft_advisory_circulars/

Sincerely,

A handwritten signature in cursive script that reads "Paul L. Friedman".

Paul Friedman
Acting Manager, Airport Engineering Division
