Washington, DC 20591

March 30, 2011

Dear Airfield Lighting Stakeholders:

Federal Aviation Administration (FAA) Draft Advisory Circular (AC) 150/5345-56B, Airport Lighting Control and Monitoring System, is being circulated to interested parties to obtain comments and recommendations.

Please review this draft and submit comments as appropriate. Comments should be submitted on a separate document, and not embedded in the draft AC. Additionally, please provide justification for all comments regarding oppositions with recommended modifications.

Comments received by May 9, 2011, will be considered for inclusion in the advisory circular.

This AC covers the requirements and recommendations for the Airport Lighting Control and Monitoring System (ALCMS).

Changes to this document are color-coded for your convenience. The AC can be found on the FAA website at http://www.faa.gov/airports/resources/draft_advisory_circulars/

Sincerely,

A handwritten signature in cursive script that reads "Paul L. Friedman".

Paul Friedman
Acting Manager, Airport Engineering Division
