Dear Industry Representative:

Federal Aviation Administration (FAA) of Draft Advisory Circular (AC) 150/5370-2F, **Operational Safety on Airports during Construction**, is being circulated to interested industry associations to obtain comments and recommendations on the proposed changes.

Please review this draft and submit comments including opposition to the proposed changes and any suggested modifications. Provide justification for all comments.

Submit comments in a separate document; do not embed comments in the draft document. Comments received by June 30, 2011 will be considered for inclusion in the AC.

A PDF version of draft AC 150/5370-2F is posted on the FAA website at http://www.faa.gov/airports/resources/draft_advisory_circulars/.

Sincerely,

A handwritten signature in dark ink, appearing to read "Khalil E. Kodsi".
