Dear Industry Representative:

Federal Aviation Administration (FAA) of Draft Advisory Circular (AC) 150/5390-2C, **Heliport Design** is being circulated to interested industry associations to obtain comments and recommendations on the proposed changes.

Please review this draft and submit comments including opposition to the proposed changes and any suggested modifications. Provide justification for all comments.

Submit comments in a separate document; do not embed comments in the draft document.

Comment period has been extended until October 31, 2011 to be considered for inclusion in the AC.

A PDF version of draft AC 150/5390-2C is posted on the FAA website at http://www.faa.gov/airports/resources/draft_advisory_circulars/.
