Federal Aviation  
Administration

## INFORMATION FOR APPLICANT

# APPLICATION FOR U.S. AIRWORTHINESS CERTIFICATE

**Paperwork Reduction Act Statement:** A federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a currently valid OMB Control Number. The OMB Control Number for this information collection is 2120-0018. Public reporting for this collection of information is estimated to be approximately 42 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, completing and reviewing the collection of information. All responses to this collection of information are required to obtain or retain benefits per 14 CFR Part 21. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden: Information Collection Clearance Officer, Federal Aviation Administration, 10101 Hillwood Parkway, Fort Worth, TX 76177-1524.

**TEAR OFF THIS COVER SHEET BEFORE SUBMITTING THIS FORM**

U.S. Department of Transportation Federal Aviation Administration		 <b>APPLICATION FOR U.S. AIRWORTHINESS CERTIFICATE</b>		<b>INSTRUCTIONS</b> - Print or type. Do not write in shaded areas; these are for FAA use only. Submit original only to an authorized FAA Representative. If additional space is required, use attachment. For special flight permits complete Sections II, VI, and VII as applicable.																																																																																																																																																																																																	
I. AIRCRAFT DESCRIPTION	1. REGISTRATION MARK		2. AIRCRAFT BUILDER'S NAME (Make)		3. AIRCRAFT MODEL DESIGNATION		4. YR. MFR. C 6 MULTIPLE AIRWORTHINESS CERTIFICATE (Check ABOVE "Restricted Operation" and "Standard" or "Limited" as applicable)																																																																																																																																																																																																					
III. OWNER'S CERTIFICATION																																																																																																																																																																																																					
A. REGISTERED OWNER (As shown on certificate of aircraft registration)																																																																																																																																																																																																					
NAME					ADDRESS																																																																																																																																																																																																
B. AIRCRAFT CERTIFICATION BASIS (Check applicable blocks and complete items as indicated)																																																																																																																																																																																																					
AIRCRAFT SPECIFICATION OR TYPE CERTIFICATE DATA SHEET (Give No. and Revision No.)					AIRWORTHINESS DIRECTIVES (Check if all applicable ADs are complied with and give the number of the last AD SUPPLEMENT available in the biweekly series as of the date of application)																																																																																																																																																																																																
AIRCRAFT LISTING (Give page number(s))					SUPPLEMENTAL TYPE CERTIFICATE (List number of each STC incorporated)																																																																																																																																																																																																
C. AIRCRAFT OPERATION AND MAINTENANCE RECORDS																																																																																																																																																																																																					
CHECK IF RECORDS IN COMPLIANCE WITH 14 CFR section 91.417					TOTAL AIRFRAME HOURS		3	EXPERIMENTAL ONLY (Enter hours flown since last certificate issued or renewed)																																																																																																																																																																																													
D. CERTIFICATION - I hereby certify that I am the registered owner (or his agent) of the aircraft described above, that the aircraft is registered with the Federal Aviation Administration in accordance with Title 49 of the United States Code 44101 <u>et seq.</u> and applicable Federal Aviation Regulations, and that the aircraft has been inspected and is airworthy and eligible for the airworthiness certificate requested.																																																																																																																																																																																																					
DATE OF APPLICATION					NAME AND TITLE (Print or type)		SIGNATURE																																																																																																																																																																																														
IV. INSPECTION AGENCY VERIFICATION																																																																																																																																																																																																					
A. THE AIRCRAFT DESCRIBED ABOVE HAS BEEN INSPECTED AND FOUND AIRWORTHY BY: (Complete the section only if 14 CFR part 21.183(d) applies)																																																																																																																																																																																																					
2	14 CFR part 121 CERTIFICATE HOLDER (Give Certificate No.)		3	CERTIFICATED MECHANIC (Give Certificate No.)		6	CERTIFICATED REPAIR STATION (Give Certificate No.)																																																																																																																																																																																														
5	AIRCRAFT MANUFACTURER (Give name or firm)																																																																																																																																																																																																				
DATE			TITLE				SIGNATURE																																																																																																																																																																																														
V. FAA REPRESENTATIVE CERTIFICATION																																																																																																																																																																																																					
(Check ALL applicable block items A and B)																																																																																																																																																																																																					
A. I find that the aircraft described in Section I or VII meets requirements for				4	AMENDMENT OR MODIFICATION OF CURRENT AIRWORTHINESS CERTIFICATE																																																																																																																																																																																																
B. Inspection for a special flight permit under Section VII was conducted by:				FAA INSPECTOR		FAA DESIGNEE																																																																																																																																																																																															
				CERTIFICATE HOLDER UNDER		14 CFR part 65																																																																																																																																																																																															
						14 CFR part 121 OR 135																																																																																																																																																																																															
						14 CFR part 145																																																																																																																																																																																															
DATE		MIDO/FSDO OFFICE		4		FAA INSPECTOR'S SIGNATURE OR DESIGNEE'S SIGNATURE AND NO.																																																																																																																																																																																															
						1																																																																																																																																																																																															
						FAA INSPECTOR'S CERTIFICATION FILE REVIEW SIGNATURE
