- 5. Background.** The Decision to cancel the Order resulted from a review of FAAO JO 7210.3 by a group of subject matter experts. The group decided that CWSU Order, FAAO 7210.38A that addressed requirements and responsibilities for the Weather Coordinator (WC) position was outdated. In addition, they decided to rewrite pertinent paragraphs in FAAO 7210.3 to capture current requirements for the function and responsibility of the WC.
