1. Purpose of This Notice. This notice amends Federal Aviation Administration Order (FAAO) JO 7210.3, Facility Operation and Administration, by adding Paragraph 10-3-9, Takeoff Clearance.

2. Audience. This notice applies to the Terminal Services organization and all associated air traffic control facilities.

4. Explanation of Policy Change. This change adds the requirement for the air traffic manager to establish specific guidance about takeoff clearances.

5. Procedures. Amend FAAO JO 7210.3V, by adding Paragraph 10-3-9, Takeoff Clearance, as follows:

10-3-9. TAKEOFF CLEARANCE

The air traffic manager shall establish guidelines for how aircraft are cleared for takeoff based on the airport configurations. This includes minimum distance between runways that affect "clear of the runway." A facility directive shall include where these procedures are applied.
