

5/31/01

SUBJ: WASHINGTON HEADQUARTERS DIRECTIVES CHECKLIST AS OF MAY 31, 2001

1. **PURPOSE.** This order transmits the checklist of directives issued by the Washington headquarters during the reporting period of October 1, 2000, through May 31, 2001. This order includes those directives previously issued and still in effect as of September 29, 2000.
2. **DISTRIBUTION.** This order is distributed to the division level in the Washington headquarters, Directives Management Officers in the regions, centers, and Washington headquarters, and a limited distribution to all Air Traffic Liaison Officers.
3. **CANCELLATION.** Order WA 0000.5D, Washington Headquarters Directives Checklist as of September 29, 2000, dated September 29, 2000, is canceled.
4. **EXPLANATION OF CHANGES.** Order WA 0000.5D represented a transition of the Directives Management Information System (DMIS) to a web application with a continuously current database at: **<http://dmis.faa.gov>**
This revision:
 - a. Permits the complete date of each directive to be entered. The previous DMIS contained the month and year of issuance. The conversion of the data defaulted to the first day of the month. Paragraph 10 contains additional information.
 - b. Includes a web site address for several national directives. Each national directive should be posted on a web site. Order WA 0000.5E contains the Universal Resource Locator (URL) as part of the directive listing. Paragraph 11 contains additional information.
5. **DIRECTIVES FILES.** Directives are listed in the sequence in which they should be filed.
6. **SPECIAL FEATURES.** The directives checklist and the DMIS contain several features.
 - a. **Figure 1** contains a listing of DOT directives implemented within FAA. DOT directives are not distributed within FAA except by an implementing FAA directive or when the Office of the Secretary of Transportation distributes a directive to all employees.
 - b. **Figure 2** contains an alphabetical index of subject classification code titles.
 - c. **Figure 2-1** contains a numerical index of subject classification code numbers.
 - d. **Appendix 1, Current Orders,** lists all current national orders and internal orders. This appendix also identifies national orders that have been supplemented (see paragraph 6j).
 - e. **Appendix 2, Washington Headquarters and National Supplements,** which have been issued to national orders.
 - f. **Appendix 3, Notices Issued,** lists all current notices and notices issued during this reporting period, including applicable expiration dates.
 - g. **Appendix 4, Canceled Orders,** lists orders canceled during this reporting period.
 - h. **Internal Office Directives** are preceded with the prefix of the issuing office.

i. **Asterisks (*)** immediately following the I.D. Numbers identify order activity that has occurred during the current reporting period, i.e., date of issue, a new issuance, or a change.

j. **Asterisks (*)** immediately following the title of the order identify the order as being supplemented.

k. **Number Signs (##)** preceding a title identify the directive as security classified or administratively-restricted. See Order 1600.2D, Safeguarding Controls and Procedures for Classified National Security Information and Sensitive Unclassified Information, for more information regarding security-classified and administratively-restricted directives.

l. **Percent Sign (%)** preceding the title of any directive means that the directive is stocked and distributed by the Aeronautical Center, Distribution Services, AMI-700B.

m. The **at (@)** Symbol preceding the title of any directive means that the directive is stocked and distributed by the Technical Center, NAS Documentation Facility, ACT-400.

n. **The Dollar Signs (\$\$)** preceding the title of any directive means that the directive is stocked and distributed by Aviation System Standards (AVN) at the Aeronautical Center in Oklahoma City.

7. **OFFICE OF PRIMARY RESPONSIBILITY (OPR).** The appropriate Directives Management Officer (DMO) shall submit an action code 2 on FAA Form 1320-6, Directives Issuance Record, to identify the appropriate OPR when the routing symbol has changed.

8. **PUBLICATION FREQUENCY.** This automated DMIS checklist is published semiannually.

9. **COPIES OF DIRECTIVES.** The Standards and Information Division (APF-100) **does not stock directives.** The division maintains a set of current directives on microfiche for reference. Requests for paper copies of current directives should be directed to the DOT Warehouse, SVC- 12 1.23, by FAA Form 1720-1 1, Publication(s) Request, memorandum, or route slip. Requests for copies can be faxed to the DOT Warehouse at 301-386-5394. If copies of directives are unavailable at the DOT Warehouse or additional information on current directives is required, you should direct your inquiry to the OPR of the directive. Order WA 0000.5E is posted on the web at: http://www.faa.gov/aba/html_policies/direct_checklist/index.html

10. **ISSUE DATE.** The directives checklist contains the complete issue date of each directive. In converting the database, all issue dates defaulted to the first day of the month. Each office should provide the specific issue date for their directives.

11. **WEB SITE ADDRESS.** Order WA 0000.5E contains the web site address (Universal Resource Locator - URL) for those orders for which we know the URL. With each issuance of the directives checklist, the URL will be added when the URL is provided to APF-100.

Steve Hopkins
Manager, Standards and Information Division
