

APPENDIX 5. GOVERNMENT-OWNED VEHICLE LOAN POOLS

Travelers may be able to borrow a vehicle when making short visits to many of our locations. The vehicles are to be used for conducting official business and transportation to and from the traveler's place of lodging. Vehicles will be available on an advance arrangements basis, and only when not required by the offices to which they are assigned. Below is a listing of the offices responsible for arranging all vehicle loans in their individual geographic areas. These offices should be contacted by the traveler for advance arrangements:
