8/1/85

SUBJ: MAJOR FACILITIES OF THE GREAT LAKES REGION

1. PURPOSE. This order provides a quick source of information to interested offices about major operational facilities in the Great Lakes Region.
2. DISTRIBUTION. This order is distributed to the section level and above in the Airway Facilities Division; branch level and above in the Regional Office; and to all field offices and facilities in the Great Lakes Region.
3. BACKGROUND. Numerous requests are received for locations of various facilities from offices within and outside of FAA. Appendix 1 provides maps showing locations of those facilities most frequently inquired about.

E. J. Phillips
Manager, Airway Facilities Division

Distribution: AX-(AF)-4; A-X-3(Except AF); A-FOF-0 (STD)

Initiated By: AGL-430
