Federal Aviation Administration

Memorandum

Date: June 6, 2013

To: Al Spence, Directives Program Manager, AES-200

From: Mark Hopkins, Manager, Technical Information and Communications Programs Branch, AFS-140

Prepared by: Richard Mathews, DMO, AFS-140

Subject: Cancellation of Orders 1500.3B, 4000.6A and 4040.24B

Please cancel the following orders. They are no longer current or required and should have been cancelled with other regional orders cancelled by Memorandum dated on 7/26/201. This oversight was identified by the long overdue revalidation dates.

Region	Number	Document Title	OPR	Reval Date
ANM	1500.3B	Occupancy Tax Exemptions for Employees on Official Travel Status	ANM-200	10/1/1994
ND	4000.6A	Aircraft Management Information System (AMIS)	ASW-280	6/1/1999
ND	4040.24B	FAA Flight Program Responsibilities and Operational Standards for FAA Aircraft	ASW-280	12/31/1999

The orders above did not properly export from the faa.gov website during the revalidation effort. However they were not excluded, or requested to be excluded from the region-wide cancellation of all AFS regional orders. The document headings can still can be found on FAA site with the reference of, "This document content is not currently available."

Thank you.
