

DIRECTIVES REVALIDATION

Date: April 16, 2013

Subject: Cancellation of AL 3790.1B

To: Tony Sepulveda, AAL-40B

Please review the attached directive as indicated below. If this directive needs to be revised, you may keep the attached copy to work with if you wish; however, AL Form 1320-6 should be completed and returned to AAL-40B by the deadline date. Please note that it is mandatory that all directives be routed through AAL-40B for finalization. (See details in Order 1320. 1 D, AL SUP 1).

(x) The attached directive is due for periodic revalidation review. Following guidelines in paragraph 203 of Order 13 20. 1 D, please review content and update/change as necessary to comply with current procedures and directives.

() The attached directive must be reprinted to replenish stock. Please review for currency/accuracy.

Complete Section II and return to AAL-40B by:

Remarks:

LOB's are responsible for the emergency medical transportation of their remote-located employees, not AAL-300

SECTION II

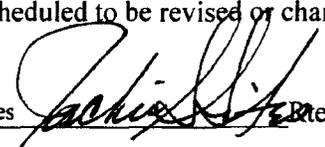

The above directive has been reviewed for currency and purpose, and to determine if any imposed administrative burdens/constraints are still required, with the following results:

() Directive is to be continued without change.

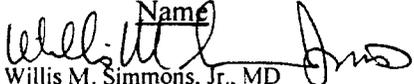

() Directive is scheduled to be canceled about _____
(Date)

(x) Cancel directive immediately.

() Directive is scheduled to be revised or changed _____
(Date)
