This memorandum cancels Order 1100.160, Delegation of Authority—"Fast Track Harmonization," dated May 18, 2000.

Order 1100.160 was issued to delegate the Manager, Transport Airplane Directorate, Aircraft Certification Service, the authority to issue certain rulemaking documents, including final rules, developed under the "Fast Track Harmonization Program."

This Order is obsolete and unnecessary. The process contained in this Order was last used in 2004 and is no longer used. This process was superseded by the "Delegated Rulemaking Process," authorized by a memorandum signed by the Administrator of the Federal Aviation Administration on October 13, 2010, which is documented in a Quality Management System work instruction.

The issuance of this memorandum cancels Order 1100.160.
