## Memorandum

Date: January 25, 2022

To: Kelly Tehan, Mission Support Services, AJV-P12

From: Arisika J. Hammond, Team Manager, Standards and Procedures AJV-P32

Prepared by: Kenneth G. Martin, ATPS En Route, AJV-P32

Subject: Cancellation of FAA Order JO 7210.630C Procedural Guidance for FAA Order JO 7210.3 following En Route Automation Modernization (ERAM) Implementation Document Information

---

---

ATC Procedures (En Route) AJV-P32 is requesting the cancellation of FAA Order JO 7210.630C Procedural Guidance for FAA Order JO 7210.3 following En Route Automation Modernization (ERAM) Implementation Document Information

NUMBER	DATE	DOCUMENT TITLE	OPR	REASON FOR CANCELLATION
7210.630C	09/10/2014	Procedural Guidance for FAA Order JO 7210.3 following En Route Automation Modernization (ERAM) Implementation Document Information	AJV-P, Policy-Mission Support Services	FAA JO 7210.630C provided guidance to FAA Order JO 7210.3 for transitioning from HOST to ERAM. That transition has been completed and the information contained in the 7210.630C has been incorporated into 7210.3, leaving the 7210.630C obsolete.

Should you have any concerns or questions, please contact me at [arisika.hammond@faa.gov](mailto:arisika.hammond@faa.gov)
