Subject: Cancellation Notice for Order 8500.2A – FAA Job Required Airman Medical  
Certifications

---

The Office of Aerospace Medicine (AAM) requests the cancellation of Order 8500.2A, FAA Job Required Airman Medical Certifications.

Order 8500.2A is being cancelled along with regional Orders AL 3930.10, CE 3930.12, GL 3930.9, NE 3930.7, NM 3930.11, and WP 3930.6J and consolidated into Draft Order 3930.14, Medical Examinations for FAA Employees and Air Traffic Applicants Requiring Medical Clearance and Certification. This national policy identifies the types of positions that require medical clearance or certification, examination locations, and authorized payments for Aviation Medical Examiner services.

Since Order 8500.2A is no longer current, we request Order 8500.2A be cancelled. You can contact Penny Giovanetti, DO, Manager, Medical Specialties Division (AAM-200) if you require additional information.
