ORDER
NM 3930.11

Effective Date:
11/01/16

SUBJ: Aviation Medical Examiners for FAA Employees and Applicants Requiring Medical Certification

- 1. Purpose of This Order.** This order transmits Aviation Medical Examiner – Employee Examiner (AME-EE) information to the following: Transport Airplane Directorate (ANM-120s, ANM-130s, ANM-140s, ANM-150s), Flight Standards (FSDOs, Alaska CMO, SWA-CMO, Seattle AEG) and the ATO Western Service Area with Enroute and Terminal employees assigned to facilities located in Colorado, Idaho, Montana, Oregon, Utah, Washington and Wyoming requiring Federal Aviation Administration Aerospace Medical Certification.
- 2. Audience.** Branch level and above in the following divisions in the Northwest Mountain Region: Aerospace Medicine, Flight Standards, Transport Airplane Directorate and the ATO Western Service Area (CO, ID, MT, OR, UT, WA and WY) - Enroute and Terminal.
- 3. Where Can I Find This Order?** You can find this order on the Directives Management System (DMS) website: http://employees.faa.gov/tools_resources/orders_notices.
- 4. Explanation of Policy:** This information is being provided in accordance with FAA Order 3930.3B, Chapter 2, page 12, Paragraph 2 “**Who May Perform Medical Examinations**”.
- 5. Action.**
 - a. Examination Locations:**
 - (1) Air Traffic Control Specialists (ATCS) assigned to facilities located in Colorado, Idaho, Montana, Oregon, Utah, Washington and Wyoming must receive their physical examinations at the locations given in Appendix A.
 - (2) Examinations will be conducted in accordance with FAA Order 3930.3B, Air Traffic Control Specialist Health Program. ATCS applicants will only receive their examinations by the specific Employee Examiners annotated in Appendix A with three asterisks (***) .
 - (3) Employees must receive their examinations in the region where their duty station (or temporary duty station) is located.
 - b. Airman Medical Certificates** An ATCS may be issued a Second Class or Third Class medical certificate upon request, but only at the time of the examination (FAA Order 3930.3b, Chapter 2(3)(b). If the ATCS requests the airman medical certificate after the physical examination is transmitted, the medical certificate cannot be issued. A new application for an airman medical certificate issued under 14 Code of Federal Regulations part 67, must be applied for at the local AME-EE office. The ATCS employee is responsible to pay for this additional exam.

c. Payment Aerospace Medicine will only pay for authorized employee and air traffic applicant exams performed by the AME-EEs listed in Appendix A. Aerospace Medicine will not reimburse an employee who pays the AME-EE for the exam; Aerospace medicine pays the AME-EEs directly. Aerospace Medicine will not be responsible for payment if an outdated version of this order is used when scheduling an exam.

(1) ATCS applicant and ATCS employees - reference FAA Order 3930.3b 12 (Professional Services) 13 (Funding) for guidance.

(2) Flight Standards and Aircraft Certification employees - Aerospace Medicine will not be responsible for payment of any fees for missed appointments and medical exams performed without pre-authorization.

d. Flight Standards and Transport Airplane Directorate personnel requiring job related physical examinations, Aerospace Medicine will only pay for pre-authorized employees if their examinations are performed by an AME-EE listed in this order.

(1) Pre-Authorization: To be eligible to receive an authorization to obtain a physical examination paid for by the agency, the employee's name must be provided and approved annually. This list must be provided to the Aerospace Medicine Division no later than October 31st every year. The Aerospace Medicine Division must be notified in writing of any newly hired employees that require a physical examination before scheduling of the exam.

(2) If the employee's name has been pre-submitted, he/she must present an authorization and invoice for medical services, FAA Form 3930-3, Medical Examination Authorization, to an AME-EE in Appendix A. The form must be signed by the employee's manager/supervisor.

(3) A first class certificate may be obtained if the employee requests the upgrade by paying for the cost of the required EKG themselves. If a first class medical certificate is required for training purposes of any kind (that is job related), that requirement and request must be sent to the Aerospace Medicine Division in writing before the scheduled physical examination. The request must also be approved by the employee's supervisor to be paid for by the agency vs the employee.

6. Distribution.

a. This order is distributed to Branch level and above in the following divisions in the Northwest Mountain Region: Aerospace Medicine, Flight Standards, Transport Airplane Directorate and the ATO Western Service Area (CO, ID, MT, OR, UT, WA and WY) - Enroute and Terminal.

b. Responsibility for Distribution: The above divisions are responsible for verifying that there have been no updates to this order prior to scheduling an employee exam.
