FINAL DISPOSITION

ORDER/PUBLICATION: 7210.3W

CHANGE: Basic

EFFECTIVE DATE: February 11, 2010

TRACKING #: 3B- 20-4-1

SPECIALIST/ROUTING: John Kehler AJR-53 (202) 267-9304

1. PARAGRAPH NUMBER AND TITLE:

20-4-1. DOMESTIC EVENTS NETWORK (DEN)

2. BACKGROUND: The original intent was to have all security related incidents reported on the DEN. The reference to CONUS created a large gap in the NAS for reporting security related incidents. Also, System Operations Security has been given the authority to direct field facilities to participate on the DEN during security related incidents.

3. EXPLANATION OF CHANGE: This change removes the reference to CONUS for reporting security related incidents on the DEN and, when directed by System Operations Security or the DEN ATSC, what field facilities will participate on the DEN. This change cancels and incorporates N JO 7210.724, Domestic Events Network and Presidential/USSS Supported VIP Movement, effective September 30, 2009.

4. CHANGE:

The DEN is managed and facilitated by ATSCs under the direction of Tactical Operations Security.
