1. PARAGRAPH NUMBER AND TITLE:

1-2-4. ABBREVIATIONS

2. BACKGROUND: The ATCSCC is in the process of realigning the operational workforce and transitioning select nonsupervisory duties currently being performed by management personnel to the traffic management specialists. The first phase of this activity is to integrate the Terminal Area and Regional Airspace Manager responsibilities through cross-training of operational personnel. As a result of this effort, changes to existing local and national directives are required. As additional changes are completed the directives will be amended.

3. EXPLANATION OF CHANGE: This change removes references to National System Strategy Team (NSST). This change cancels and incorporates N JO 7210.781, ATCSCC Transition Team Duty Requirement Modification, effective August 15, 2011.
