

FAA Pacific Resource Guide

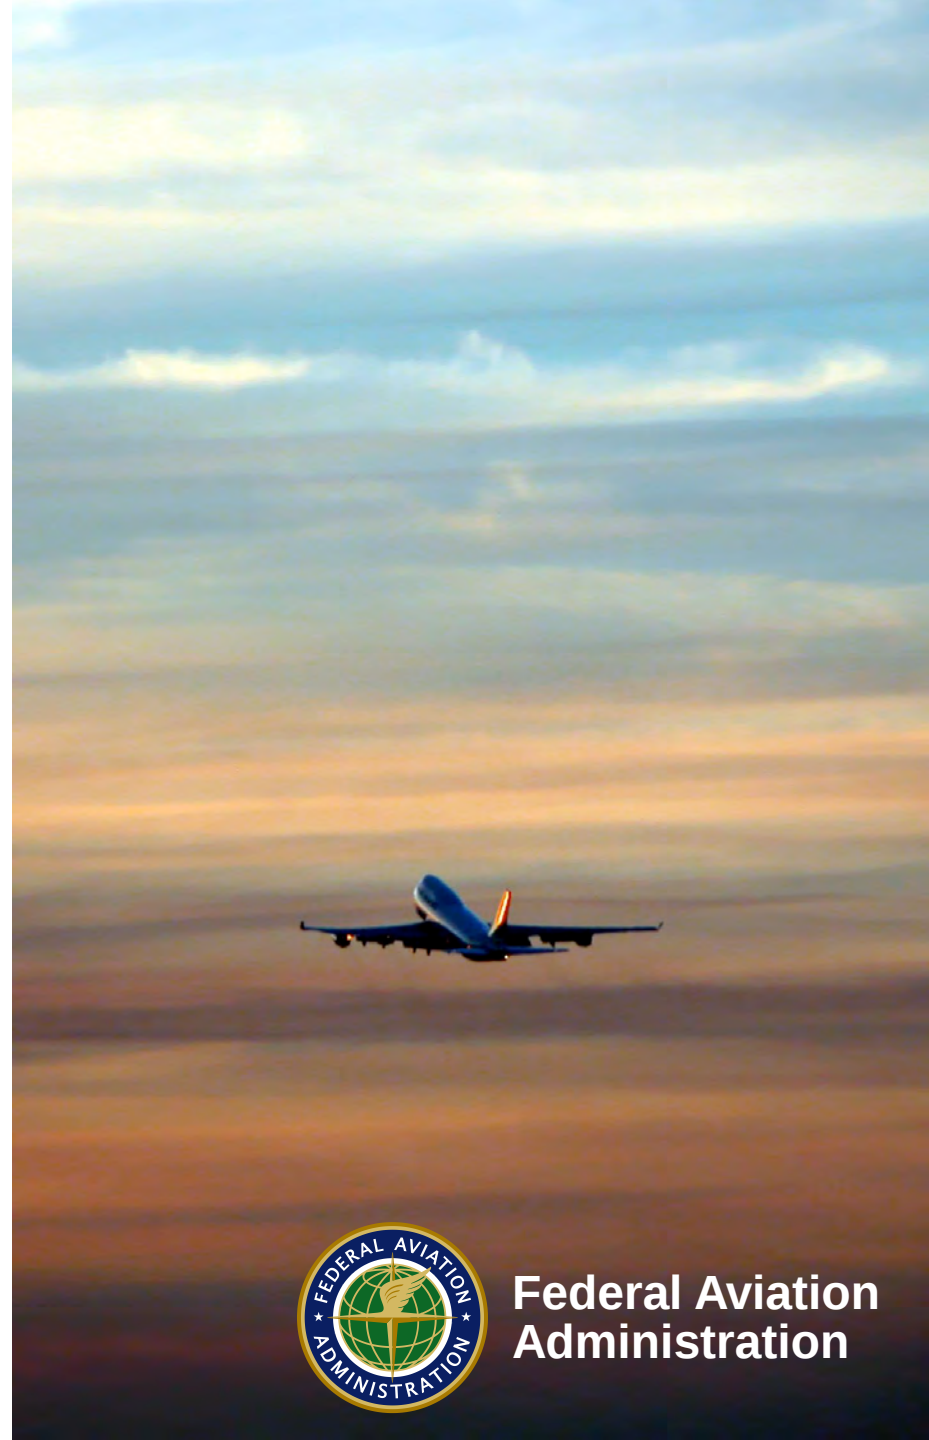

Presented to: ISPACG/40 Plenary

By: Ahmad Usmani

Date: 5 May 2026

**Federal Aviation
Administration**

BM&E

- FAA's Flight Technologies & Procedures Division (AFS-400) maintains the [Pacific Resource Guide](#)
- It includes a link to the FAA's [WeatherCams](#) page
- Pages for some (but not all) ISPACG FIRs are included
- Please send comments/updates to 9-AWA-AVS-AFS-400-Flight-Technologies-Procedures@faa.gov
 - Next update will be published in the first week of July 2026
