

# MINORITY SERVING INSTITUTIONS (MSI) INTERNSHIP PROGRAM

The FAA MSI Internship Program celebrates the diversity and talent of our nation's colleges, while fulfilling FAA's unique mission to provide the world's safest aerospace system. FAA's MSI Internship gives students, particularly from underrepresented communities, an opportunity to experience aviation safety and support with a path to future employment.

## PROGRAM OVERVIEW

- Summer internship that provides experiential professional development and networking opportunities
- Interaction with FAA executives
- Washington DC capstone week
- Option to return each summer (if still enrolled in school and eligible)
- Pathway to full-time employment upon graduation (Gateways Program)
- Locations nationwide; numerous in-person positions reporting in Washington, DC, Atlantic City, Oklahoma City; some hybrid and virtual options
- Open to all majors

## ELIGIBILITY

- U.S. citizen
- Enrolled at least half-time in an accredited undergraduate or graduate degree program
- In good academic standing
- Completed one year of academic credit

## PAY

- Hourly rate of \$20/hr - \$30/hr based on locality and Undergraduate/Graduate degree levels
