Mr. Charles F. Astle  
Associate Counsel  
Falcon Jet Corporation  
Teterboro, New Jersey 07608

Dear Mr. Astle:

Normally, a release relating to a recorded conditional sales contract should contain the date of recording and the recorded document number.

However, in view of the fact that, in some cases, this information is not available at the time the parties wish to record the release, the Federal Aviation Administration will accept a release that adequately identifies the conditional sales contract, i.e., names of parties, date executed and complete description of the collateral.

Accordingly, under the circumstances described above, the release form you submitted would be acceptable.

If there are any questions, please advise us.

Sincerely,  
Original signed by
