Attention: Mr. J. Jeffrey Thistle

Dear Mr. Thistle:

Your letter of December 1, 1980, has been referred to this office for reply. We have reviewed the documents in the file of Champion 7ECA, N11053, in response to your request. From that review, it is our opinion that we will not "expunge" any records from the file; however, certain actions can be taken to clarify the matter.

There is a copy of the Judge's October 31, 1973, Order in the file, but not the affidavit and Order which you sent with your letter of December 1, 1980. These documents, together with your letter and \$ 713.74 will be "filed" (but not "recorded") in N11053's file.

Additionally, neither the original nor a certified true copy of the Quit Claim and Release from Robbins to Jefferson Equipment, dated August 24, 1973, is included in the file. If you can provide the original or a certified true copy of that document, we will "record" it in the file.

Finally, you may wish to file a quiet-title action or some other action for declaratory judgment in a court of competent jurisdiction. You may, of course, request a certified copy of the entire file for such an action.

If we may be of further assistance in this matter, please so inform us.

Sincerely,

Original signed by
