Dear Ms. Brents:

Re: Gordon A Walker Jr.  
Non Exempt Trust dated 12-17-06

In response to your request dated February 29, 2008, and incident to our telecon on that date, this is to inform you that by reason of recent FAA concerns about trust information, in camera reviews (with the return of trust documents uncopied) will no longer be conducted by my office.

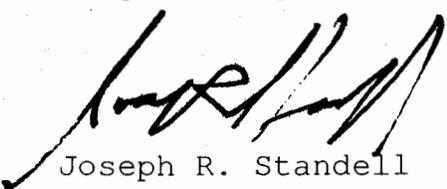

For the record, were we to have reviewed the Walker trust documents, they are incomplete. We would have needed the complete document, not just the part that counsel thinks will suffice.

This office will still review and opine on family trusts. We will still require the complete trust document. However, when you submit the counterpart to the Registry, the complete trust documents must be submitted.

Any questions about this practice may be addressed either to me, or Registry officials.

Your records are returned.

Very truly yours,

Joseph R. Standell  
Aeronautical Center Counsel
